Dear Mr. Casey:

The Financial Analysts Federation will present a conference on "Investment Strategy" over the dates of January 15-18, 1984 at the Camelback Inn in Scottsdale, Arizona. This program is planned for senior investment professionals and will be attended by approximately 150 people.

We cordially invite you to address our audience at the luncheon on January 18. This day of the program will be devoted to "Financing the Nation's Capital Needs and Third World Debt", and we hope you would address some aspect of this topic. Your longterm experience would add greatly to the information imparted at this important meeting.

The possibility of you speaking before the Financial Analysts Federation was discussed with Shelly Rappaport and Stanley Sporkin. Stanley suggested that I write this letter.

I sincerely hope your schedule will permit you to accept our invitation. If I can provide any additional information, I will be pleased to do so.

Cordially yours,

HAH/je
